To Whom It May Concern,

I am a committed professional driven by a passion for continuous learning and staying updated with the latest industry trends. My diverse skill set in web development, including expertise in Spring Boot, Express.js, Node.js, Hibernate, Angular CLI, Angular Material, MSSQL, and MongoDB, makes me a valuable asset to any team. I am always eager to expand my knowledge and embrace new challenges, and I am excited about the opportunity to contribute to an organization's success, leveraging my skills to drive innovation and growth.

I hold a License in Programming from Baalbek Technical Institute and a TS2 in Management Information Systems from Sheikh Muhamad Yaqoub Institute. My education has laid a strong foundation for my career in web development.

Throughout my career, I have worked on several notable projects:

1. Web App for Bank.
2. E-Commerce Store Application.
3. Social Media Platform Application.
4. Puzzle Game Application.
5. Spring Boot and MongoDB Application with Docker Deployment and Open API Testing.
6. Web App for Agenda Academy.

I have also earned certifications in Developing Backend with NodeJS and Express from IBM and Coursera, and as an Angular Developer from Ali Bou Coding, further solidifying my expertise in server-side JavaScript development and building dynamic, responsive web applications.

With strong skills in Java, Spring Boot, JPA, Hibernate, TypeScript, Angular CLI, Express.js, Node.js, Angular Material, IntelliJ, Bootstrap, MSSQL, MongoDB, Docker, GitHub, version control, and responsive web design, I am well-equipped to tackle a wide range of projects effectively.

I am particularly adept at problem-solving, maintaining attention to detail, and communicating clearly. I excel at analyzing and resolving complex issues, writing clean and well-organized code, and ensuring all elements of a website or application function as intended. Additionally, my ability to communicate effectively with both technical and non-technical stakeholders allows me to explain technical concepts in a clear and concise manner.

I am excited about the opportunity to leverage my skills to drive innovation and growth within your organization.

Thank you for your consideration.

Sincerely,
Ali Hellani
